

Casa Borrega Reservations

Welcome! We accept reservations for parties of six or more for lunch, dinner or brunch. Reservations are secured with a credit card number.

For all reservations we:

- Include an auto-gratuity of 20%
- Only do one tab (which can be divided, but no separate checks)
- Charge a \$2/person plating fee for cakes that are brought in
- Charge a \$50 cancellation fee for reservations not cancelled at least 2 hours in advance (we have never had to charge this fee!)

Please call the restaurant at 504-427-0654 to make a reservation. Alternatively, you can email us with your phone number at info@casaborrega.com and we will call you to confirm the reservation.

Casa Borrega Private Parties

We love doing private parties! We will work with you to develop an event that meets your budget. We generally charge a rental fee for the space, which varies depending on the night of the week and the season, plus food, drink, gratuity and live music if desired. We ask that all private parties be reserved with a credit card.

If you are interested in hosting your party at Casa Borrega, please send us all pertinent information (date, time, number of people, type of event and your phone number) to info@casaborrega.com and we will respond quickly.
